

BUENA VISTA RECREATION SPONSORSHIP LETTER 2024

Dear Valued Business Owner,

Thank you for being an integral part of Buena Vista! We appreciate your support for all that you do in this community. We would love for you to consider being a sponsor for Buena Vista Recreation for the Summer 2024 through Winter 2025 programming season.

Your role as a sponsor is critical, as your support allows us to offer multiple programs at lower costs for the community. With your sponsorship, we are able to give numerous youth and adults, needing financial assistance, the ability to participate in BV Recreation programs at no cost. We have given out over \$5,000 in scholarships in the last calendar year, and we would like to continue offering our programs to the community, regardless of financial situations. BV Recreation appreciates your sponsorship funds and the opportunity it gives for youth and adults to participate in so many great programs.

We have reconstructed the sponsorship options for the upcoming 2024-2025 season to ensure that you can select the option(s) that work best for your business. You can select one or more! If you would like a banner displayed at either of the BV Recreation Fields, you can choose the field you prefer. You are able to choose if you would like your logo on our programming shirts. We have a new option to support the Concerts in the Park summer series. You may also choose to have your logo on the dog waste bags around Buena Vista.

To ensure that we allocate appropriate space for banners on BV Recreation fields and logos on programming shirts, we will be operating on a first come-first serve basis for granting the sponsorships. Your FORM and PAYMENT must be received at the Town Hall address (provided on FORM) for your application to be complete.

Your sponsorship for BV Recreation is so appreciated! Thank you for considering giving to this worthwhile cause to give youth and adults the ability to participate in a wide variety of programs. We look forward to working with you in the upcoming season! If you would like more information, please don't hesitate to reach me via email or phone. Thanks!

Sincerely,

Shane Basford
Recreation Director
